

I am  Youngster	I am trying to  Pick a dress for Birthday	But  Can't able to find the perfect dress.	Because  I can't find my perfect size.	Which makes me feel  that the dress should be available in all the sizes.
I am  Enterprenueur	I am trying to  Sell my costumes in the website.	But  Can't able to find many customers	Because  There is very less advertisement	Which makes me feel  To improve my advertisement for my clothings
I am  stylist	I am trying to  I'm trying to pick the best design for my customer	But  Could not decide to choose the best outfit for my customer	Because  customer has his own design in their mind	Which makes me feel  Less interactive
I am  IT professionals	I am trying to  find the formal clothings	But  the price range is very high	Because  it doesn't meet by budget	Which makes me feel  dissatisfied
